

A CENTURY OF PROGRESS

TO describe in words the magnificence and beauty of the World's Fair in its glorious setting on the beautiful lake front in Chicago is well nigh impossible. Nor can one imagine what it is like. It must be seen to be appreciated so do not miss it.

Trains of the Michigan Central arrive at and depart from Central Station located at Michigan Ave. and Roosevelt Road, Chicago which is only a short distance from the 12th Street entrance to the grounds, 5 to 10 minutes walk.
